Disclosure Statement

The money received from the Accelerated Benefit Option can be used for any purpose. If you exercise this option and accept payment, you should be aware that such payment may adversely affect your eligibility for Medicaid or other government benefits or entitlements. In addition, the Accelerated Benefit Option payment, or a portion thereof, may be considered taxable income. Prudential recommends that assistance be sought from a personal tax advisor and/or an attorney regarding how election of this option may affect your personal situation. Prudential offers this option based on our interpretation of current law, which may change over time.

By electing this option, the total amount of employee or dependents term life insurance otherwise payable at death, including any amount under an extended death benefit, will be reduced by the amount paid under the Accelerated Benefit Option and any required contribution for that insurance will be reduced accordingly. Also, any amount that could otherwise have been converted to an individual contract will be reduced by the amount paid under this option.

Acknowledgement: I have read the disclosure information above.
